What's Office for the Next Generation ?

The **O**ffice for the **N**ext **G**eneration (ONG) has been set up at the IIS in order to introduce the latest technology in university into elementary and secondary education by cooperating with industries.

The purpose of ONG is to make new models of the education and outreach, which raises next-generation researchers and engineers, by cooperating with the industries.

ONG Lecture by cooperating with Industries

Development of New Teaching Materials based on ONG lecture

- Image teaching materials
 - DVD of ONG lecture movie
 - We uploaded this lecture movie to Web.

- Experiment teaching-materials
 - We are developing new teaching materials based on the mechanism of wheels.

Teaching Materials for Lending

Teachers in elementary school, junior high school, or high school can borrow these teaching materials, and can use them in class.
