

# Research Group Circulation of Science and Technology

Former Knowledge Dissemination Unit

[Creating a System in which Knowledge Circulate]

Research Group

<http://kdu.iis.u-tokyo.ac.jp>

## What's *Circulation of Science and Technology*?

- This research group was formed to develop and expand the "Knowledge Dissemination Unit".
- We promote STEAM education and science communication activities for fostering the next generation who create innovation and aim for creation of a system in which science and technology are circulated throughout society.  
\* STEAM: Science, Technology, Engineering, Arts, and Mathematics
