What's "S N G" ?

"The **Scientist** for the **Next Generation** !" is a program designed by the **Office for the Next Generation (ONG)** at the IIS.

Aim : Promotion of interest and awareness of science and technology among the younger generation

School Outreach Program

◆ The IIS faculty and staff members visit several schools and interact with the students.

Classes and laboratory tours at IIS for junior and senior high school students were cancelled last year due to COVID-19

This year we conducted an online laboratory tour.

Open House of KOMABA Research Campus for Junior and High School Students

We made an interesting map for Junior and High School Students.

◆ Open House at the IIS, in which special programs are held online for **junior and high school students**.
