

Research Group Circulation of Science and Technology

Former Knowledge Dissemination Unit

[Creating a System in which Knowledge Circulate]

Research Group

<http://kdu.iis.u-tokyo.ac.jp>

What's *Circulation of Science and Technology*?

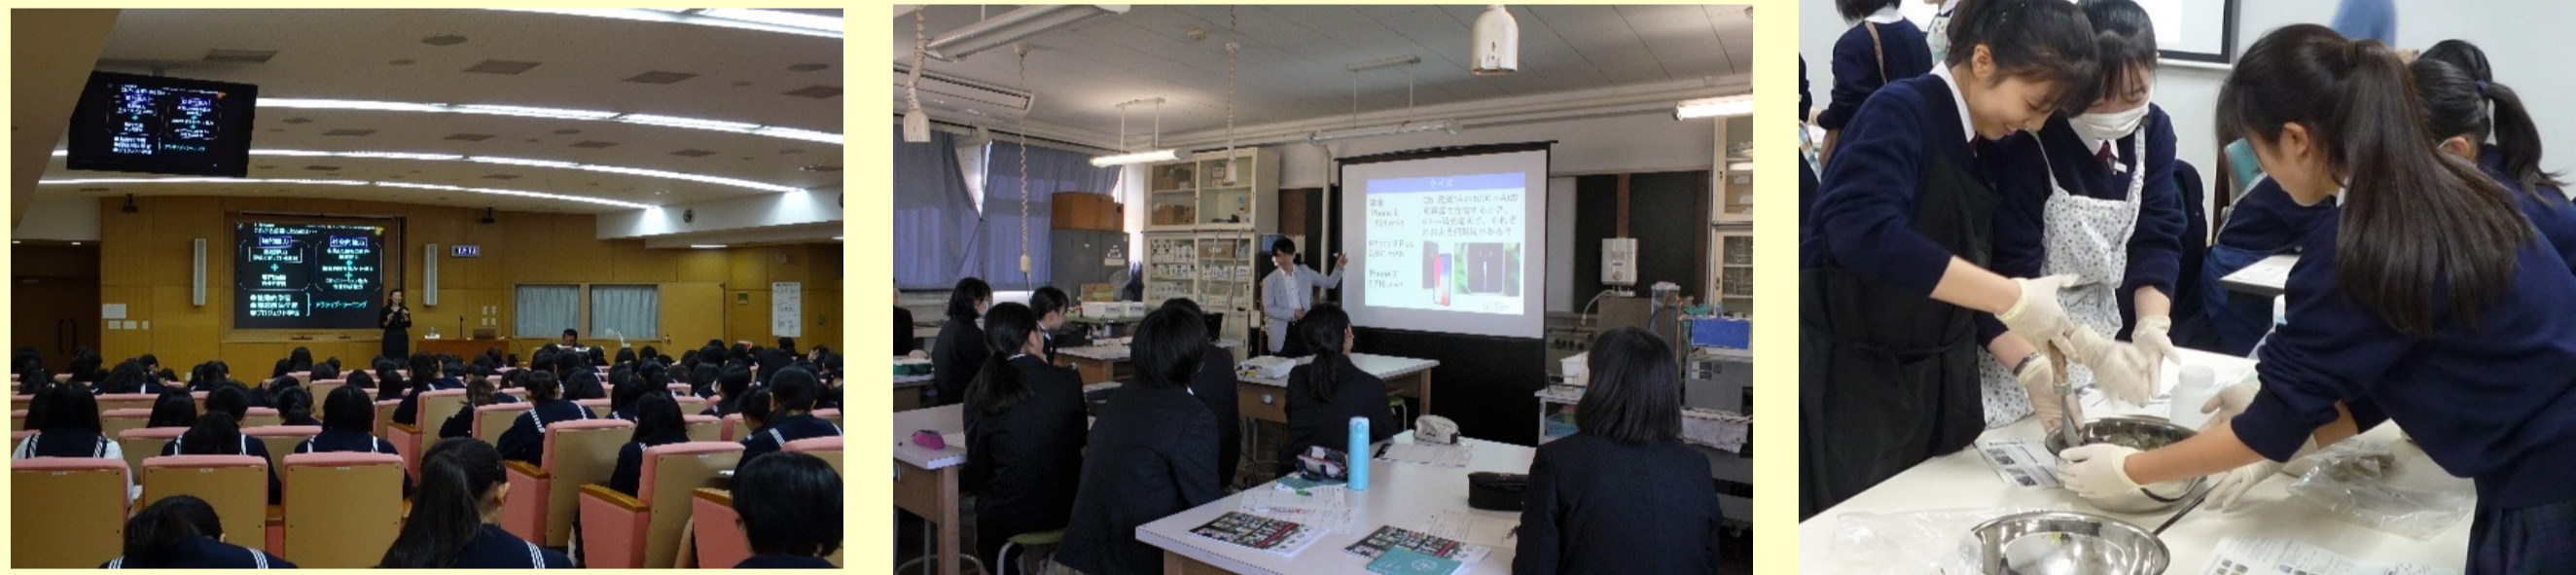

- This research group was formed to develop and expand the "Knowledge Dissemination Unit."
- We promote STEAM education and science communication activities to foster the next generation who create innovation and aim to create a system in which science and technology circulate throughout society.
 - * STEAM: Science, Technology, Engineering, Arts, and Mathematics
